Dear Nalini,

Thank you for the opportunity to nominate a student for the Upinnaqtuq Award. For the **2021 Upinnaqtuq Award**, we would like to nominate Gabe Allen. Gabe is a true peacemaker at our school. He is a student who naturally diffuses situations and resolves conflict among his peers. In addition, whether acting as a playground mentor, or just walking through the hallways, Gabe will also approach younger students if he sees they need help or guidance. Gabe is there to mentor and support whenever needed and approaches this in a kind and caring manner. Gabe not only consistently helps other, but notices when help is needed and is quick to step up and volunteer. We see this in Gabe, both in school and in his community.

Furthermore, Gabe has greatly improved his academics and along with excellent attendance and punctuality is developing a great work ethic. In closing, Gabe's calm demeanour and kindness sets a standard for others at our school. He is an exceptional role model.

If you have any other questions, you can reach me at 939-2221.

Sincerely,

Daphne O'Donnell
Principal
