To the Nunavut Law Foundation:

As a grade six homeroom teacher at Qitiqliq Middle School in Arviat, I am filled with enthusiasm to be able to recognize and celebrate a student from our community with a nomination for this award.

In honor of Justice Beverly Browne, the first senior judge in the Nunavut Court of Justice, I have the great pleasure of nominating **Romeyn Kritaqliluk** for the Upinnaqtuq Award.

Romeyn is a student who embodies qualities of a leader and my hope is that through this award, he may come to recognize his potential as a leader in his community, the territory and beyond. Romeyn demonstrates determination, consistency, and a great capacity while learning in class. It has been a very difficult year, yet Romeyn always shows up with a bright attitude and ready to engage in class.

I feel this is an accomplishment that merits recognition and I hope that through him winning this award, it will serve as an inspiration for other students to follow his lead in working hard, being consistent, and displaying a positive attitude despite life challenges.

I would like to thank the Nunavut Law Foundation for this opportunity to recognize our students as potential leaders and role models and your contribution in fostering youth leadership in Nunavut.

Sincerely,
